Feast by the fire

Featuring live-fuel cooking, warm hospitality and vibrant flavours, Babel welcomes you as you to feast by the fire among family and friends. Our menus pay tribute to the culinary traditions, techniques and spices of the 22 countries bordering the Mediterranean Sea. At the heart of Babel is our kitchen's 12-foot hearth, where our chefs cook meat, fish and vegetables over an open flame. At Babel, we encourage you to go ahead and eat your hearth out!

"If the Tower of Babel is an origin myth that seeks to explain why people speak different languages, then the restaurant Babel aims to show diners that food is a universal language without borders."
